

Safety and Security		103TDI Sedan & Wagon	125TDI Sedan & Wagon	147TSI Sedan & Wagon	V6 FSI Highline Sedan & Wagon	R36 Sedan & Wagon
Airbags	Driver and front passenger airbags	S	S	S	S	S
	Driver and front passenger side airbags	S	S	S	S	S
	Outer rear seat passenger side airbags	S	S	S	S	S
	Curtain airbags, front and rear	S	S	S	S	S
Anti-theft	Alarm system with interior monitoring and tilt sensor	O	O	O	S	S
	Electronic engine immobiliser	S	S	S	S	S
	Electronic ignition lock	S	S	S	S	S
Body	Fully galvanised with 12 year anti-corrosion perforation warranty	S	S	S	S	S
	Door side impact protection	S	S	S	S	S
	Rigid safety cell with front and rear crumple zones	S	S	S	S	S
Brakes	Anti-lock Braking System (ABS)	S	S	S	S	S
	Electronic Brake-pressure Distribution (EBD)	S	S	S	S	S
	Brake Assist	S	S	S	S	S
	Blue brake callipers	-	-	-	-	S
	Electro-mechanical parking brake	S	S	S	S	S
	Auto hold function	S	S	S	S	S
	Hazard warning system triggered in emergency braking situation	S	S	S	S	S
Child restraint	Child seat anchor points (3)	S	S	S	S	S
Fog lights	Front fog lights, mounted in lower bumper	O	O	O	S	-
	Rear fog lamp	S	S	S	S	S
Head restraints	Front safety optimised head restraints, height adjustable	S	S	S	S	S
	Rear head restraints height adjustable (3)	S	S	S	S	S
Locking	Remote central locking with deadlock mechanism	S	S	S	S	S
	2 stage unlocking (programmable)	S	S	S	S	S
	Automatic locking after takeoff (programmable)	S	S	S	S	S
	One touch lock / unlock for driver	S	S	S	S	S
	Child safety locks on rear doors	S	S	S	S	S
Seat belts	Front height adjustable with pre-tensioners and belt force limiters	S	S	S	S	S
	Outer rear seat belt pre-tensioners	S	S	S	S	S
	Visual and acoustic warning for driver and front seat passenger seat belts not fastened	S	S	S	S	S
	3 point seat belts for all passengers	S	S	S	S	S
Suspension	Adaptive chassis control	-	-	-	S	-
	Sports suspension (lowered 25mm)	-	-	-	-	S
Traction control	Anti-Slip Regulation (ASR)	S	S	S	S	S
	Electronic Stabilisation Program (ESP)	S	S	S	S	S
	4MOTION all wheel drive	-	-	-	S	S
Exterior Equipment / Styling						
Body enhancements	Body coloured bumper bars, door handles and exterior mirrors	S	S	S	S	S
	Chrome radiator grille highlights	-	-	-	S	S
	Chrome trim around side window frames	S	S	S	S	S
	Chrome body side and rear bumper protective mouldings	S	S	S	S	S
	Radiator grille surround in chrome finish	S	S	S	S	-
	Radiator grille surround in matte chrome finish	-	-	-	-	S
	R36 design package consisting of front and rear bumpers in 'R' sports design, body side lower sill extensions, wheel arch extensions, rear boot lid or roof spoiler, dual chrome exhaust tailpipes and R36 badges front and rear	-	-	-	-	S
	Sports body kit	A	A	A	A	-

Exterior Equipment / Styling (cont'd)		103TDI Sedan & Wagon	125TDI Sedan & Wagon	147TSI Sedan & Wagon	V6 FSI Highline Sedan & Wagon	R36 Sedan & Wagon

Glossary

4MOTION

An all-wheel-drive system that provides the best possible traction at all road speeds, in all weather and road conditions. An electronic Haldex clutch responds to traction losses at the front and rear axles and directs torque to the axle with the best traction.

Adaptive Chassis Control

The electrically controlled dampers of adaptive chassis control constantly adjust to the road conditions, the driving situation and driver's requirements. Using a button located on the centre console, the driver selects between three damper settings. In addition, the steering feel is adapted to the selected setting.

Starting from the normal setting, the customer can change the basic character of the car towards sporty or more comfort-oriented driving. In SPORT and COMFORT settings, the corresponding name is illuminated in the button. In NORMAL setting, only the shock absorber symbol is illuminated. In all settings, the adaptive chassis control adjusts the damping to the particular driving situation (up till one thousand times per second) which means it offers an optimum level of driving comfort and enjoyment at all times. Particularly on windy roads and poor surfaces, using adaptive chassis control offers sporty and yet comfortable driving.

Anti-lock Braking System (ABS)

When braking, wheel speed sensors measure the road wheel speed and should one or more wheels start to lock the ABS system reduces brake pressure to that wheel. This prevents the wheels from locking during heavy or emergency braking, enabling the vehicle to remain steerable.

Anti-Slip Regulation (ASR)

ASR improves driving and steering characteristics by preventing the driven wheels from spinning under acceleration. When a difference in driving wheel speed is detected (i.e. when one wheel starts to spin due to differences in road surfaces, e.g. due to water or dirt) the system automatically reduces engine torque. ASR is a switchable traction control system.

Auto Hold function

As soon as the vehicle comes to a complete stop, the ABS hydraulic unit stores the vehicles final braking pressure. So even when you take your foot off the brake pedal, all four wheels brakes remain applied, providing increased comfort in stationary traffic. This function is released automatically when you drive off again.

Brake Assist

During emergency braking, Brake Assist aids the driver by increasing the brake pressure automatically to a level exceeding the locking limit. The ABS is thus quickly brought into the operating range, which enables maximum vehicle deceleration to be achieved.

Direct Shift Gearbox (DSG)

DSG is a manual gearbox in which the gearshifts are controlled electronically. What makes the DSG unique is that it has 2 separate gear sets operated by 2 wet multi-plate clutches. The benefit of 2 gear sets and 2 multi-plate wet clutches is that one gear set and clutch is engaged driving the vehicle with the second clutch having already pre-selected the next gear awaiting for power to be transferred. As the next gear has already been pre-selected prior to power being applied, the gear change only takes 3-4 100ths of a second. There is virtually no interruption to power, traction or acceleration. The DSG also offers Tiptronic gear selection and sports mode.

Electronic Brake-pressure Distribution (EBD)

Electronic, more sophisticated means of regulating the ratio of front/rear brake pressure. Settings are varied according to driving and load conditions to ensure each wheel is braked to the optimum extent.

Glossary (cont'd)

Electronic Stabilisation Program (ESP)

ABS and ASR traction control systems are integrated into the Electronic Stabilisation Program (ESP). In short, ESP helps ensure that the vehicle goes where you steer it even in extreme driving conditions. The ESP system constantly compares the actual movement of the vehicle with pre-determined values and should a situation arise where the vehicle starts to skid, ESP will apply the brakes to individual wheels and automatically adjust the engine's power output to correct the problem. ESP prevents the vehicle from losing control when trying to avoid an accident, for example. It also prevents spinning off on a curve due to either understeer or oversteer.

Park Assist*

Park Assist actively helps the driver when reversing into parallel parking spaces. The system works by using sensors mounted either side of the front bumper together with parking distance sensors front and rear. To parallel park the driver needs to press the Park Assist button and use the appropriate indicator before the car passes the potential parking space. Sensors in the front bumper then scan the size of the parking space as the car is driven slowly past and the driver is alerted if the parking space is big enough. If there is sufficient space, the driver stops the car, selects reverse and let's go of the steering wheel.

Park Assist will alert the driver of the intended reverse path in the Multi-Function Display, within the driver's field of vision. Park Assist then actively supports the driver by taking over the steering control and parks the vehicle in the available space using the ideal course. The driver can however take over the control of the steering at any time and end the automatic parking procedure. The system can reverse into parking spaces on both the left hand and right hand side of the road, for example on one way streets.

Park Assist cannot replace the driver's attentiveness. The driver is still legally responsible for the vehicle. If the driver notices a risk that pedestrians, other vehicles or objects could be damaged or if they are uncertain of the risk, they will need to react accordingly and stop the vehicle, ending the function.

*Optional equipment

Volkswagen New Vehicle Warranty

Every new Volkswagen passenger vehicle is covered by a 3-year/100,000km (whichever occurs first) manufacturer's warranty, which includes Volkswagen Assist (24hr roadside assistance). Every new Volkswagen passenger vehicle is also covered by a 3-year paintwork and 12-year anti-corrosion perforation warranty.

Volkswagen Assist – 24 hour roadside assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original Volkswagen warranty period. You will receive help in the event of a breakdown or accident and if required, your vehicle will be mobilised or transported to an Authorised Volkswagen Repair Centre.

As a Volkswagen owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100kms away from home. Volkswagen Roadside Assist can also be renewed at the expiry of the original warranty, ensuring ongoing coverage for your vehicle.

Volkswagen is distributed by Volkswagen Group Australia Pty Ltd, The Lakes Business Park, 6 Lord Street, Botany, NSW 2019. ABN 14 093 117 876. Specifications are as planned at February 2009, for Model Year 2009 and are subject to change without notice or obligation. All Volkswagen approved parts and accessories are warranted for 2 years/unlimited kilometres. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Volkswagen, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Volkswagen dealers will provide up-to-date information on model application, design feature, prices and availability on request.
